INTRODUCTION: BUILDING HOPE, EMPOWERMENT, AND RESILIENCE

We are pleased to present the Annual Report of Compassion Projects for 2025–26, highlighting a year of meaningful impact, community engagement, and transformative support across our key initiatives. Throughout the year, our programs continued to serve vulnerable children, women, widows, and economically disadvantaged communities by addressing essential needs such as education, nutrition, healthcare, shelter, and livelihood development.

Driven by a commitment to dignity, inclusion, and sustainable development, Compassion Projects continues to serve as a source of encouragement and opportunity for individuals and families facing social and economic challenges. Through collaborative efforts, dedicated staff, volunteers, and supporters, we have been able to create safe spaces for learning, strengthen community wellbeing, and empower individuals toward self-reliance and brighter futures.

OUR PURPOSE: SUPPORTING COMMUNITIES THROUGH CARE AND OPPORTUNITY

Compassion Projects is committed to improving the quality of life for underserved and marginalized communities, irrespective of caste, religion, language, or social background. Our initiatives focus on creating pathways toward education, health, nutrition, livelihood, and emotional wellbeing for children, women, widows, and vulnerable families.

Our vision is to foster hope, resilience, and sustainable community development by equipping individuals with opportunities that enable long-term growth and self-sufficiency. Guided by the values of compassion, integrity, inclusion, and service, we strive to bridge the gap between vulnerable communities and access to essential resources and opportunities.

Through our integrated programs, we continue to support children requiring educational assistance, women seeking vocational skills, elderly widows in need of healthcare support, and families struggling with poverty, malnutrition, and social exclusion.

RESPONDING TO COMMUNITY NEEDS

The past year reaffirmed the importance of holistic and community-centered support systems, especially in regions facing economic hardship, food insecurity, health challenges, and natural disasters. Our initiatives were designed to address both immediate needs and long-term empowerment through sustainable interventions.

EDUCATIONAL SUPPORT & CHILD WELFARE

Alpha Home and Alpha Upper Primary School continued to provide children with a safe, supportive, and nurturing environment focused on academic excellence, personal growth, and emotional wellbeing. Parent-Teacher Meetings, educational support programs, textbook distribution, cultural activities, sports participation, and alumni engagement initiatives contributed to the holistic development of children throughout the year.

VOCATIONAL TRAINING & ECONOMIC EMPOWERMENT

The Alpha Vocational Training Centres (AVTCs) continued empowering women and youth through practical skill development programs in tailoring, beautician training, entrepreneurship, and vocational education. Across multiple centers, women gained income-generating skills that improved financial stability, confidence, and opportunities for self-employment.

NUTRITION & FOOD SECURITY INITIATIVES

Nutrition support remained a key focus area during the year. Through Soy Milk Distribution Programs, food support for HIV-affected children, and feeding initiatives for rag-pickers, the organization continued addressing hunger, malnutrition, and nutritional insecurity among vulnerable communities.

HEALTHCARE & WIDOWS SUPPORT

Widows Care Programs and medical support initiatives provided regular healthcare assistance, medicines, emotional support, and wellbeing services to elderly widows and vulnerable women. Regular nurse visits and community gatherings helped strengthen emotional and social support systems for beneficiaries.

EMERGENCY RELIEF & COMMUNITY OUTREACH

During times of crisis, the organization responded promptly to emergency situations, including flood relief efforts in Jammu & Kashmir. Relief materials such as blankets and food packets were distributed to affected families, helping communities cope with difficult circumstances.

Impact Summary for the year 2025-26

S NO	NAME OF THE PROJECT	BENEFICIARIES
1	Number of Soya Milk glasses served	18130
2	Number of Rag pickers fed Bi-Weekly	300
3	Number of Children enrolled in Alpha School, Takkasila	88
4	Number of students receiving Education support	35
5	Number of Children supported through Alpha Homes Word & Deed-Hyderabad – 22 Hope International Academy- Bihar - 16	38
6	Number of Women trained through AVTC a) Beautician course Saharanpur, UP On going from Feb 2025 – 7nos 2nd batch started from August 25 to Jan 26 – 7nos b) Sewing centre Saharanpur, UP on going from Feb 2025 – 6nos 2nd batch started from August 25 to Jan 26 – 8nos c) Sewing centre Odisha, ongoing from last year – 10nos 2nd batch started from Oct 25 to Mar 26 – 12nos d) Setwin centre Abids, Ongoing batch - 8nos	27

KEY HIGHLIGHTS OF THE YEAR

— Building Hope. Empowering Lives. Transforming Communities. —

1 SUCCESSFUL ACADEMIC PROGRESS & EDUCATIONAL SUPPORT  Children at Alpha Home and Alpha Upper Primary School excelled academically with 100% pass results, regular PTMs, textbook support, sports, and cultural activities for holistic development.	2 ACTIVE ALUMNI ENGAGEMENT PROGRAMS  Alumni reunions and interactions inspired current children as former residents shared their journeys, achievements, and encouraging words, strengthening the Alpha Home family bond.	3 VOCATIONAL TRAINING & GRADUATION  Women and youth across multiple AVTC centers gained skills in tailoring, beautician training, and entrepreneurship. Graduates are now equipped for self-reliance and better livelihoods.	4 NUTRITIONAL SUPPORT FOR HIV-AFFECTED CHILDREN & YOUTH  Monthly nutritious food support provided to 50 HIV-affected children and youth (ages 10–25) in Nellore, promoting health, strength, and dignity.
5 CONTINUOUS FOOD DISTRIBUTION FOR RAG-PICKERS & UNDERSERVED COMMUNITIES  Approximately 300 rag-pickers receive food packets every two weeks across various locations, addressing hunger and spreading compassion.	6 REGULAR HEALTHCARE ASSISTANCE & EMOTIONAL SUPPORT FOR WIDOWS  Widows received regular health check-ups, medicines, and emotional support through nurse visits, gatherings, prayers, and Christmas celebrations.	7 ONGOING SOY MILK DISTRIBUTION INITIATIVES  Soy milk distribution continued in Jehanabad (Bihar) and Hyderabad, benefiting children in slum areas with essential nutrition and improved health.	8 EMERGENCY RELIEF SUPPORT FOR FAMILIES AFFECTED BY FLOODS & NATURAL DISASTERS  Rapid relief provided to 60 families in Jammu & Kashmir after severe floods, including blankets and food packets to help them cope and recover.

 Every life touched, every smile restored, every hope renewed – together, we make a difference! 

A YEAR OF MEANINGFUL IMPACT

This year's report reflects the collective impact of sustained community support, dedicated teamwork, and compassionate outreach across all program areas. We invite you to read this report and witness the positive change made possible through collective care, partnership, and commitment to community development.

COMPASSION PROJECTS REPORT 2025–26

1. ALPHA HOME INITIATIVES

ALUMNI MEET – 5TH APRIL

Alpha Home organized a special Alumni Meet that brought together former residents, current children, staff members, and well-wishers in a warm and joyful atmosphere. It was an interactive session with the children and alumni, many of whom attended along with their families.

The reunion reflected the long-term impact of Alpha Home's support and care in shaping the lives of children who once resided there. Alumni shared memories from their childhood, spoke about their personal and professional journeys, and encouraged the children currently staying at Alpha Home to remain focused on their education and future goals.

The event also included indoor games, cultural performances, interactive sessions, and lunch. The gathering created meaningful opportunities for bonding, encouragement, and community connection between former and current residents.

PARENT–TEACHER MEETINGS & ACADEMIC PROGRESS

Parent–Teacher Meetings were conducted periodically throughout the academic year to review the educational progress, discipline, and overall development of the children.

Teachers appreciated the children for their dedication, discipline, and consistent academic performance. All Alpha Home children successfully completed their academic year with commendable results. During July and August, children also completed two rounds of academic assessments successfully, reflecting a strong start to the new academic year.

The meetings helped strengthen communication between caregivers, teachers, and students while ensuring that children received continuous academic guidance and emotional support.

EDUCATIONAL SUPPORT & BOOKS DISTRIBUTION – 19TH JUNE

Children at Alpha Home, Hyderabad, received textbooks and educational materials for the new academic year. The distribution program generated enthusiasm and excitement among the children as they prepared to begin their studies with renewed motivation.

Educational support initiatives continued to play a key role in ensuring that children had access to learning resources, stable educational opportunities, and encouragement to pursue their academic goals confidently.

SPORTS, RECREATION & CHILD DEVELOPMENT ACTIVITIES

Children at Alpha Home actively participated in sports and recreational activities during the year. Traditional Indian games such as Kabaddi and Volleyball encouraged teamwork, discipline, physical fitness, and confidence-building.

In addition to academics, cultural and recreational activities such as dance performances, music programs, puppet shows, games, and interactive events were organized regularly to promote creativity, emotional wellbeing, and social interaction among the children.

ALPHA HOME SUCCESS STORIES

MR. YEDUKONDALU

Mr. Yedukondalu joined Alpha Home after his family was severely affected by the devastating tsunami in the Machilipatnam region.

At Alpha Home, he received shelter, educational support, and guidance that enabled him to pursue his studies successfully. Through determination and hard work, he completed his Law degree from Andhra University and became a qualified advocate.

Today, he is a successful legal professional and an inspiring example of resilience and perseverance.

RAJ KUMAR

Raj Kumar joined Alpha Home at the age of five due to severe financial hardship within his family. During his years at Alpha Home, he demonstrated strong discipline, academic excellence, sincerity, and leadership qualities. He consistently worked hard in his studies and served as a positive role model for other children.

Raj Kumar later completed his engineering degree from Holy Mary Institute of Technology and Science and is now professionally settled with his own family and home. His journey reflects determination, resilience, and the lasting impact of educational support and guidance.

DIVYA LATHA – EDUCATION SUPPORT

Divya Latha comes from a financially challenged family where her father is unable to work due to serious health complications, while her mother works as housekeeping staff to support the family.

Through educational assistance provided by Alpha Home, Divya Latha successfully completed her Bachelor of Commerce degree from Andhra Mahila Sabha Arts and Science College.

She is also actively involved in student leadership initiatives and continues to inspire others through her determination, resilience, and commitment to education.

VIJAYA SHANTHI

After losing her father at a young age, Vijaya Shanthi faced significant hardship and uncertainty before joining Alpha Home.

Through education, perseverance, and consistent support, she transformed her life and emerged as a respected community leader. Today, she runs a clinic and actively serves people in her village with dedication and compassion.

Her journey reflects resilience, leadership, and a strong commitment to serving others and giving back to the community.

2. ALPHA UPPER PRIMARY SCHOOL

PARENT–TEACHER MEETING – 22ND APRIL

The school conducted Parent–Teacher Meetings to review student performance and strengthen communication between parents and teachers. Students demonstrated strong academic progress during the year, and parents appreciated the dedication and commitment shown by the school staff in supporting children’s education and development.

The meetings also helped identify areas where students required additional support and encouragement.

BOOKS DISTRIBUTION – 10TH JUNE

Students at Alpha Upper Primary School received textbooks and learning materials for the academic year. The distribution program created excitement among students and helped ensure they were prepared academically for the new school term.

The initiative aimed to reduce educational barriers and support students from economically challenged backgrounds by providing essential academic resources.

INDEPENDENCE DAY CELEBRATIONS

Independence Day was celebrated enthusiastically at both Alpha Home and the Primary School in Bihar. The celebrations included:

- Flag hoisting ceremonies
- Patriotic songs and performances
- Cultural programs
- Historical dramas
- Student speeches and activities

Children participated actively in the programs, which helped foster patriotism, confidence, teamwork, and cultural awareness.

CHILDREN'S DAY CELEBRATIONS

Students at Alpha Upper Primary School performed well academically during the quarter. Children's Day was celebrated on 14th November 2025, commemorating the birth

anniversary of Jawaharlal Nehru. On this occasion, students took on the role of teachers and performed confidently.

REPUBLIC DAY CELEBRATIONS

Republic Day celebrations were organized with great enthusiasm and patriotic spirit. The program began with flag hoisting and the singing of the national anthem.

Various competitions, races, classroom decoration activities, and games were conducted for students. Children participated enthusiastically and demonstrated creativity, teamwork, and unity throughout the event.

The celebration created a joyful atmosphere while helping students understand the importance of national values, civic responsibility, and collective participation.

3. SOY MILK DISTRIBUTION PROGRAM

The Soy Milk Distribution Program continued to provide nutritional support to children living in underserved communities and slum areas.

DISTRIBUTION ACTIVITIES

In Bihar under the leadership of Mr. Kaushalendra distribution activities continued in Jehanabad, Bihar, where children regularly benefited from the nutritional support provided through the initiative.

Mr. Pavan Kumar continued supervising operations in Hyderabad.

OPERATIONAL CHALLENGES & UPDATES

Operations in Hyderabad and Nellore were temporarily paused during the summer months (April–June) due to operational and logistical reasons.

In Nellore, distribution activities were halted temporarily following an accident involving the soy machine operator. Later, operations also remained paused due to machine relocation.

In Hyderabad, production activities were temporarily suspended due to office relocation and related adjustments.

Despite these temporary interruptions, the program continued serving children wherever operations remained functional, ensuring ongoing nutritional assistance to vulnerable communities.

4. NUTRITION INITIATIVES

NUTRITION SUPPORT FOR HIV-AFFECTED CHILDREN – NELLORE

The Nutrition Support Program in Nellore, Andhra Pradesh, continued serving HIV-affected children and economically disadvantaged youth between the ages of 10 and 25.

Each month, 50 beneficiaries received nutritious food support aimed at improving their health, immunity, physical wellbeing, and overall quality of life.

The initiative provided consistent nutritional assistance to vulnerable children and youth who often face severe economic and health-related challenges. Beneficiaries and families expressed gratitude for the care and support extended through the program.

The organization hopes to expand the initiative further in the future to support more children and individuals in need.

5. RAG-PICKERS FEEDING PROGRAM

The Rag-Pickers Feeding Program continued reaching marginalized individuals living in vulnerable conditions across various parts of the city.

Approximately 300 rag-pickers received food packets every two weeks through regular outreach activities. The initiative focused on addressing immediate nutritional needs among economically disadvantaged individuals and families.

The program also aimed to provide dignity, encouragement, and a sense of care to people who often face neglect and social exclusion. Consistent food distribution activities helped provide relief and support to beneficiaries struggling with poverty and unstable living conditions.

6. VOCATIONAL TRAINING & ECONOMIC EMPOWERMENT (AVTC)

The Alpha Vocational Training Center (AVTC) continued empowering women and youth by providing practical vocational training and livelihood opportunities.

GRADUATION – MACHILIPATNAM (12 MAY)

Nineteen students successfully completed their AVTC training program in Machilipatnam. The course equipped participants with practical technical skills, personal development opportunities, and greater confidence for employment and self-employment.

Graduates expressed appreciation for the opportunity to gain valuable skills that would help improve their livelihoods and family income.

GRADUATION – ODISHA

Ten students, primarily women, completed a sewing and tailoring training program in Odisha. The training covered:

- Tailoring and garment stitching
- Entrepreneurship skills
- Customer service
- Practical sewing techniques

Many participants expressed interest in starting small tailoring businesses to support their families financially.

VOCATIONAL TRAINING CENTERS & ENROLLMENT

AVTC continued operating through multiple training centers across:

- Abids
- Saharanpur
- Bihar
- Odisha

A total of 43 students remained actively enrolled during the reporting period.

Courses included:

- Sewing & Tailoring
- Beautician Training
- Pattern Making
- Entrepreneurship Development

The training programs focused on helping women and youth achieve financial independence and sustainable livelihood opportunities.

CHENNAI GRADUATION PROGRAM

Eleven students graduated from the Chennai sewing training program on September 8th. Students received practical training in:

- Tailoring

- Pattern making
- Garment cutting
- Entrepreneurship skills

The training enabled participants to improve their employability and begin income-generating activities.

CENTER UPDATES

ABIDS, HYDERABAD (SETWIN)

Students at the Abids center continued preparing for their second-semester examinations while improving their practical vocational skills.

ODISHA

A new batch was initiated in October 2025 with 12 students enrolled in the tailoring and vocational training program.

CHENNAI – MOGAPPAIR

The commencement of the new batch was delayed temporarily due to the trainer's health concerns.

CHENNAI RURAL AREA

Training activities in the rural Chennai center were temporarily postponed because women in the selected villages were engaged in agricultural work during the harvest season. Classes are expected to begin after the harvest period.

IMPACT STORIES

ANJALI DALACHATRA – ODISHA

Anjali Dalachatra from Paderika village in Kandhamal district, Odisha, faced severe financial hardship due to her husband's physical disability. As the primary provider for her family and children, she struggled daily to meet household and educational expenses.

Before joining the AVTC tailoring program, Anjali worked as a daily wage labourer. Through the training program, she learned stitching and tailoring skills including sewing blouses, skirts, and women's garments.

After completing the course, she purchased her own sewing machine and now earns approximately ₹500–₹700 per day through tailoring work. Her improved income has significantly strengthened her family's financial stability and quality of life.

SASMITA PRADHAN – ODISHA

Sasmita Pradhan from Banda village in Kandhamal district faced emotional and financial difficulties due to her husband's alcoholism and unemployment.

After enrolling in the AVTC tailoring course, she completed six months of vocational training and gained practical tailoring skills. Today, she earns approximately ₹300–₹500 per day through tailoring work, helping restore financial stability and confidence within her family.

RAMYA – FROM DREAM TO DESIGNER

Ramya aspired to become a designer but could not afford formal training fees. Through the AVTC vocational training program, she gained access to high-quality practical instruction in tailoring and garment making.

The training enabled her to confidently stitch garments independently, reduce household expenses, and develop income-generating skills that improved her self-confidence and financial independence.

VIDHYA – PATIENCE LEADS TO PRACTICAL SKILL

Vidhya joined the AVTC tailoring course after initially feeling discouraged by a previous training experience elsewhere.

Supportive mentorship and patient guidance from trainers helped her regain confidence and develop practical tailoring skills. Within a short period, she began stitching school uniforms and garments for her family and friends, demonstrating the effectiveness of the training program.

7. MEDICAL SUPPORT & WIDOWS CARE PROGRAM

MEDICAL SUPPORT FOR WIDOWS – MACHILIPATNAM

Widows in Machilipatnam continued receiving regular healthcare support through biweekly visits conducted by Mrs. Suseela, a trained nurse.

Services included:

- Basic health checkups
- Medication distribution
- Monitoring of health conditions
- Emotional support and companionship

The program aimed to improve the wellbeing and stability of widows who often face economic hardship, loneliness, and health-related challenges.

WIDOWS CARE GATHERINGS

Special gatherings were organized where widows had opportunities to share their concerns, interact socially, and receive emotional encouragement.

Food, medicines, and healthcare assistance were provided during these visits. These gatherings created a supportive environment where widows felt valued, cared for, and emotionally supported.

COMMUNITY SUPPORT STORY

MRS. VANAVALAMMA – A COMPASSIONATE GESTURE

Mrs. Vanavalamma of Kona, Machilipatnam, who had been supported by the organization for two years, passed away on 12th September 2025.

As no family members came forward to arrange her funeral, the organization provided funeral assistance and necessary support. The local community appreciated this compassionate gesture and recognized the organization's commitment to supporting vulnerable individuals with dignity and care.

8. FLOOD RELIEF – JAMMU & KASHMIR

Following unprecedented rainfall and severe flooding in August, emergency relief assistance was provided to 60 affected families in Jammu & Kashmir.

The region experienced heavy rainfall, flooding, and landslides that disrupted normal life and caused significant hardship for local communities.

Relief efforts included the distribution of:

- Blankets
- Food packets
- Essential support materials

The timely response helped provide immediate relief and assistance to families affected by the disaster.
